Warranty

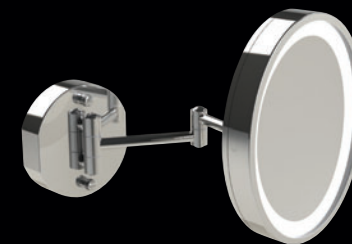

*Baci mirrors are warranted to the original purchaser against mechanical defects in materials and workmanship for a period of five years from the date of purchase. Damage caused by improper installation, misuse, abuse, alteration or improper maintenance is not covered. This warranty is limited to repair or (at our option) replacements and does not cover any incidental costs. Should a repair become necessary contact our customer service department at (800) 327-6585.

High Power LEDs

All Baci Junior mirrors are built with a proprietary, custom designed light engine incorporating three of the latest state-of-the-art high output LEDs. They include features for electrical, optical and thermal management to provide more than 500 lumens of Neutral White life over their 50,000 to 100,000 hour life. That's more light than a 50 watt household lamp at 80% less energy consumption.

Wall Mirrors
